

Online safety agreement for use with children and young people

OWEN Open Water Education Network understands the importance of children being able to use the internet for education and personal development. We aim to support children and young people in making use of these in our work. However, we also recognise that safeguards need to be in place to ensure children are kept safe at all times.

This agreement is part of our overarching code of behaviour for children and young people and staff and volunteers. It also fits with our overarching online safety policy. If you would like to know more about this, please speak to **Kate Thurman**; child protection and safe guarding officer
